# AUSTRIAN YOUTH SUMMIT

Magic  
Beyond  
Frontiers

5<sup>th</sup>-8<sup>th</sup> Sep. 2024  
Bad Aussee  
Austria

Magic is always evolving. There used to be magic clubs to learn magic, and today you can experience it online. But magic is actually a very personal way of communicating.

At the **Austrian Youth Summit** young magic talents from different countries meet. The great thing about it is, that they are **taking part in one of the best magic conventions**, which 2024 will highlight **magic stars** from Spain.

We are open to **exciting discussions** and have **special programs** to introduce **new ideas**. The **best international magicians** will offer **workshops and lectures** – all this for a **really fair price**. The surroundings of Bad Aussee in Austria are beautiful, with mountains and lakes – there will be **magic all around!**

This summit is not for beginners, but for young **magicians under 21** who want to make international contacts. There are **only 25 places** in total, we only have limited places per country. Accommodation is on a shared room basis. You are older than 21? We also create some events where you can join us.

Please **contact us** for detailed information!
